

ARC ID – 6591 New Shipment Cancellation

Arturo Almaguer, January 2022

Customer: Miller Weldmaster Corp

Business Case: Customer is looking for a program to stop shipments from processing if the SO terms are equal to CREDITCARD, and there is no Credit Card information filled out on the PAYMENT button the SO header screen.

This project is launched off after the user clicks on 'Save' button in the Shipments-New screen.

Project's step by step

1. After the user clicks on the 'Save' button, the program will validate if the SO terms are equal to 'CREDITCARD'. If the credit card information has been properly set up, the regular shipment process will continue and the shipment will be saved.
